

CORAVIN MOMENTS APP

Every Moment can be enhanced by the perfect wine. Discover wines that pair with movies, music, and more with the Coravin Moments App.

Coravin Moments is your one stop for everything wine. Explore unique wine pairings to try at home, capture and visualize your wine collection, edit Moments to make them your own, connect to your Coravin Model Eleven, and even shop Coravin all in one place.

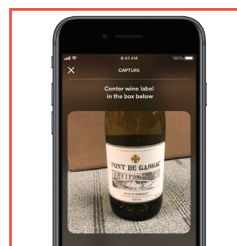

Discover
wines for
**every
Moment.**

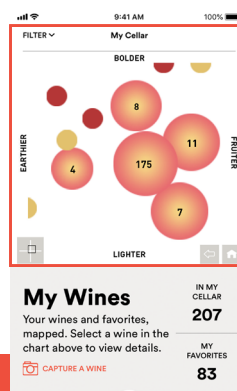

EXPLORE CORAVIN MOMENTS

Every Moment combines a flight of wines with movies, food, music, and more. Learn more about each wine and even buy a bottle through the App!

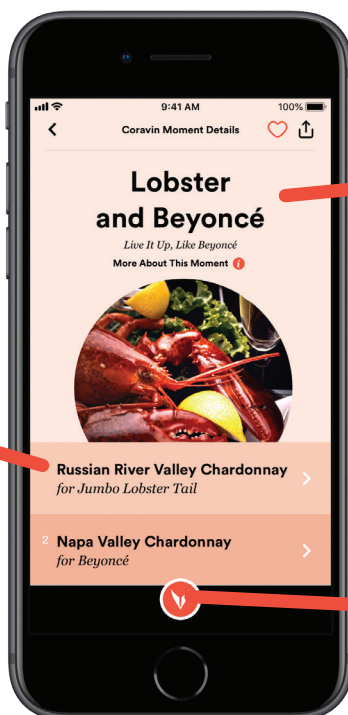

CAPTURE YOUR WINE

Take pictures of your wine bottles to add them to your wine collection. The App will recognize the wine by its label and a description of the wine will appear.

VISUALIZE YOUR WINE COLLECTION

Wine added to your collection will be visualized on your Flavor Map. Each wine is placed on a spectrum of light to bold and fruity to earthy.

THE WINES

Every Moment is paired with a flight of wines. Tap a wine to learn more about that wine and even buy a bottle through the App.

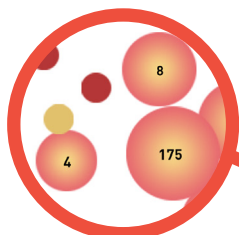

ANY MOMENT

Moments combine wine with movies, food, TV shows, music, and more!

EVERYTHING WINE

Tap the Coravin logo to navigate the App. Capture a wine, view your Coravin Systems, contact Customer Care, and more.

YOUR WINE COLLECTION

Wines added to your collection will be visualized on a Flavor Map. You can filter by favorites, type of wine, and more.

THE FLAVOR MAP

Your wines, represented by bubbles, are placed on the Map from light to bold and fruity to earthy.
