Dear friends and Associates,

Further to our below newsletter since the beginning of August, we are proud to announce **Oinotropies Wine Essentials** has the privilege of announcing the Cyprus exclusive Distribution, along with the official launching of the amazing new device from **Coravin - Sparkling**, presented by the Brand Founder himself, Greg Lambrecht, showing us and the world, how to... **'Sparkle' By The Glass!** Watch the video in our corporate page: <https://fb.watch/7VJ8dhiFJR/>

*We would like to thank the professionals for their entrepreneurial approach of making appointments for live presentations and potential, with the locally available showcase device since August, regardless of ordering. Regarding the actual orders applied, we expect to have the devices for delivery approximately by the end of September, if earlier we will let you know on personal messages and contacts. For any next requests please let us know as a possible, as the demand in the Usa & Europe is already fierce.*

Thank you for your usual support and mostly insight!
